Rev. B. D. Weeks Called to St. Louis

For some time Brother B. D. Weeks has been considering a call to Compton Heights Baptist Church, St. Louis, Mo. Last week he announced to his people the acceptance of the call and offered his resignation which was reluctantly accepted only after Brother Weeks insisted it was final. For about three years he has been the beloved and successful pastor of the Washington Avenue Baptist Church. During this time about 250 been added to the church, mostly through the regular services, and he will leave the church in splendid condition. The Church property has been greatly improved, some troublesome debts paid. The Church is a great spiritual power in that section of the city, especially with the young people. The Sunday night congregations have been large and the attendance of men noticeable. Not only has he wrought nobly in his own church but he has taken an active and efficient part in the denominational life of the city and state. He is moderator of the Central District Association and he has been in constant demand for denominational service throughout the state. His departure will be regretted by a host of friends but all will be glad to know that he goes to one of the best churches in St. Louis. The church ministers to approximately 50,000 souls. This is the church of which Rev. J. B. Benton, deceased, was pastor. Bro. Weeks is a delightful friend, cultured and consecrated, and he is also a splendid Gospel preacher. We venture to offer one criticism of him, however, and that is that he is not married—yet—Baptist Messenger of Oklahoma City, Okla.
